"Open Your Heart to Rotary"

October 2009—Issue 4

President's Message:

We have a fantastic club! Thanks to everyone for a terrific club meeting when District Governor, Tom Novotny, attended our September 24 meeting. The Rotary Club of Mesquite Sunrise has the best ever board and committee chairs; we need to thank them all for the time and dedication they are giving to our club.

October is Vocational Service Month on the Rotary calendar. This is a time when we should be highlighting the importance of the business and professional life of each Rotarian and emphasize the Rotary practice of high ethical standards.

There are two events on the October calendar that involve our club members donating individual time and energy to service projects, which is our way of donating back to Mesquite. The object of Rotary is "to encourage and foster the ideal of service as a basis of worthy enterprise." One of the objectives adopted at the strategic planning session held earlier this year was for club members to be involved in service each month. Let's have a great showing of support on the two service project days. Please see the calendar dates listed on page 2.
